The diagram shows a floor plan of a building with the following layout:

- Top Section:** A large rectangular area divided into two main sections by a vertical corridor. The left section contains several smaller rectangular rooms. The right section is a large open area labeled "PVC1/2" in the top right corner.
- Central Section:** A horizontal corridor runs across the middle, connecting the top and bottom sections. To the left of this corridor is a large rectangular area labeled "Drive Thru" in the middle left.
- Bottom Section:** A large rectangular area divided into two main sections by a vertical corridor. The left section contains several smaller rectangular rooms. The right section is a large open area.
- Corridors:** A network of corridors connects the various rooms and sections, including a central horizontal corridor and several vertical and diagonal connecting paths.
