

??

The diagram shows a floor plan of a building with the following layout:

- Top Section:** A large rectangular area divided into two main sections by a vertical corridor. The left section contains several smaller rectangular rooms. The right section is a large open area labeled "PVC1/2" in the top right corner.
- Central Corridor:** A horizontal corridor runs through the center of the building, connecting the left and right sections.
- Bottom Section:** A large rectangular area below the central corridor, divided into two main sections by a vertical corridor. The left section contains several smaller rectangular rooms. The right section is a large open area.
- Entrance:** A small rectangular area at the bottom center, labeled "Drive Thru".
- Other Features:** There are several smaller rectangular rooms and corridors throughout the plan, including a small room at the top left and a small room at the bottom left.
