

????????????????????????????????????

???? DP6

????????????????????????????????????

?????????

The diagram illustrates the layout of a 2566-bit memory array. The array is organized into rows of 17 bits each. The layout includes labels for 'Audit TQM', 'DP6', 'SO1', and '0'.

Row	Label	Value
1	Audit TQM	17
2	DP6	2566
3	SO1	0

<p>Link Job</p> <p>Link</p>	<ol style="list-style-type: none"> 1. 2. 3. <p>Test Scan</p>
