

????????????????

The diagram illustrates the layout of the Section Manager interface. It features several input fields and labels arranged in a structured manner:

- Top Row:** A single long input field.
- Second Row:** Four input fields of varying lengths, followed by the label "Section Manager" on the right.
- Third Row:** Two input fields, followed by the label "Drive Thru", and then two more input fields.
- Fourth Row:** A long input field followed by a label in parentheses "()".
- Fifth Row:** A single long input field.
- Sixth Row:** A long input field.
- Seventh Row:** A long input field.
- Eighth Row:** A long input field.
