1.1   

1.2

The diagram consists of two horizontal bars. The top bar is a single continuous line. The bottom bar is a line with vertical tick marks, representing a segmented or discrete structure.

1.3

The diagram consists of two horizontal rows of vertical bars. The top row is composed of 20 small, identical vertical rectangles arranged side-by-side. The bottom row is also composed of small, identical vertical rectangles, but it is shorter, containing only 10 rectangles. The bars in the bottom row are aligned with the bars in the top row, starting from the left edge.
