The figure consists of two separate bar models. The top model shows a horizontal bar divided into 20 equal segments. Above the bar is a bracket spanning the entire length, labeled '10'. Below the bar is a bracket spanning the entire length, labeled '2'. This represents the division $20 \div 2 = 10$. The bottom model shows a horizontal bar divided into 20 equal segments. Above the bar is a bracket spanning the entire length, labeled '5'. Below the bar is a bracket spanning the entire length, labeled '4'. This represents the division $20 \div 4 = 5$.
