S02

Diagram illustrating the structure of a 16-bit PC Delta value. The value is split into two 8-bit halves. The top half is divided into four 2-bit segments, each with a label "PC Delta" to its right. The bottom half is labeled "S01" to its right.

<p>A single block containing a long hash (32 squares) and a short proof (5 squares).</p>	<p>A single block containing a long hash (32 squares) and a short proof (2 squares).</p>
<p>A block containing a long hash (32 squares), a short proof (5 squares), and a transaction (5 squares).</p>	<p>A block containing a long hash (32 squares), a short proof (2 squares), and a transaction (5 squares).</p>
